A favorite personality around Ensley High School since his arrival in 1964, Coach Bill Sparks has gained many well-deserved titles - teacher, coach, and friend.

In addition to teaching government and economics classes, Coach Sparks also coaches the baseball team, instructs physical education classes, and has charge of issuing state text books each year. Because of his willingness to assist in any project for raising money for school activities, Coach Sparks has gained the title of "the general fund raiser."

Coach Sparks character is revealed through many of his outstanding traits such as his enthusiastic sportsmanship, active participation in all school events, and deep concern for his students.

We would like respectfully to express our deepest gratitude to Coach Sparks and hope that the dedication of the 1969 Jacket will enable us to represent a small token of our appreciation to him for all he has done at Ensley to make it Number 1!

Department

MRS. AUDREA SIZEMORE

The English Department endeavors to instill in students a love and appreciation for English, American, and world literature. It seeks to improve communication through teaching the basic skills of grammar and composition - to give insight into the dreams, thoughts, and ideas of those who lived before us, as well as those living today. Ensley attempts to give its students a background to enable them to live with understanding, to have an appreciation of the values of literary art, and most of all, to think clearly and effectively.

MRS. MARILYN SEIER

Besides acquainting the students with a knowledge of past events, the History Department strives to initiate an interest in governmental processes and a practical knowledge of economics through courses offered to seniors. Juniors study the development of our country from its beginnings through modern times by

Department

studying American History. For a greater knowledge of happenings in ancient times, many sophomores elect to take World History. From Alabama History and Civics, freshmen learn the background of their own state and the privileges and responsibilities as a free citizen of that state.

MISS NELL TAMBLYN

Math Department

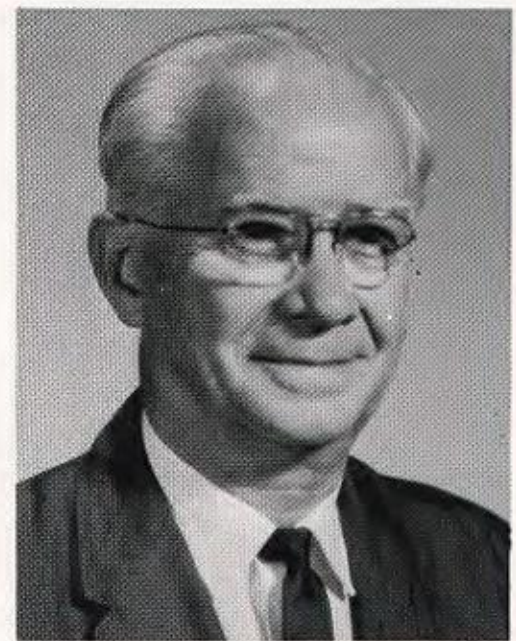

MRS. PAULINE CAMPBELL
Chairman

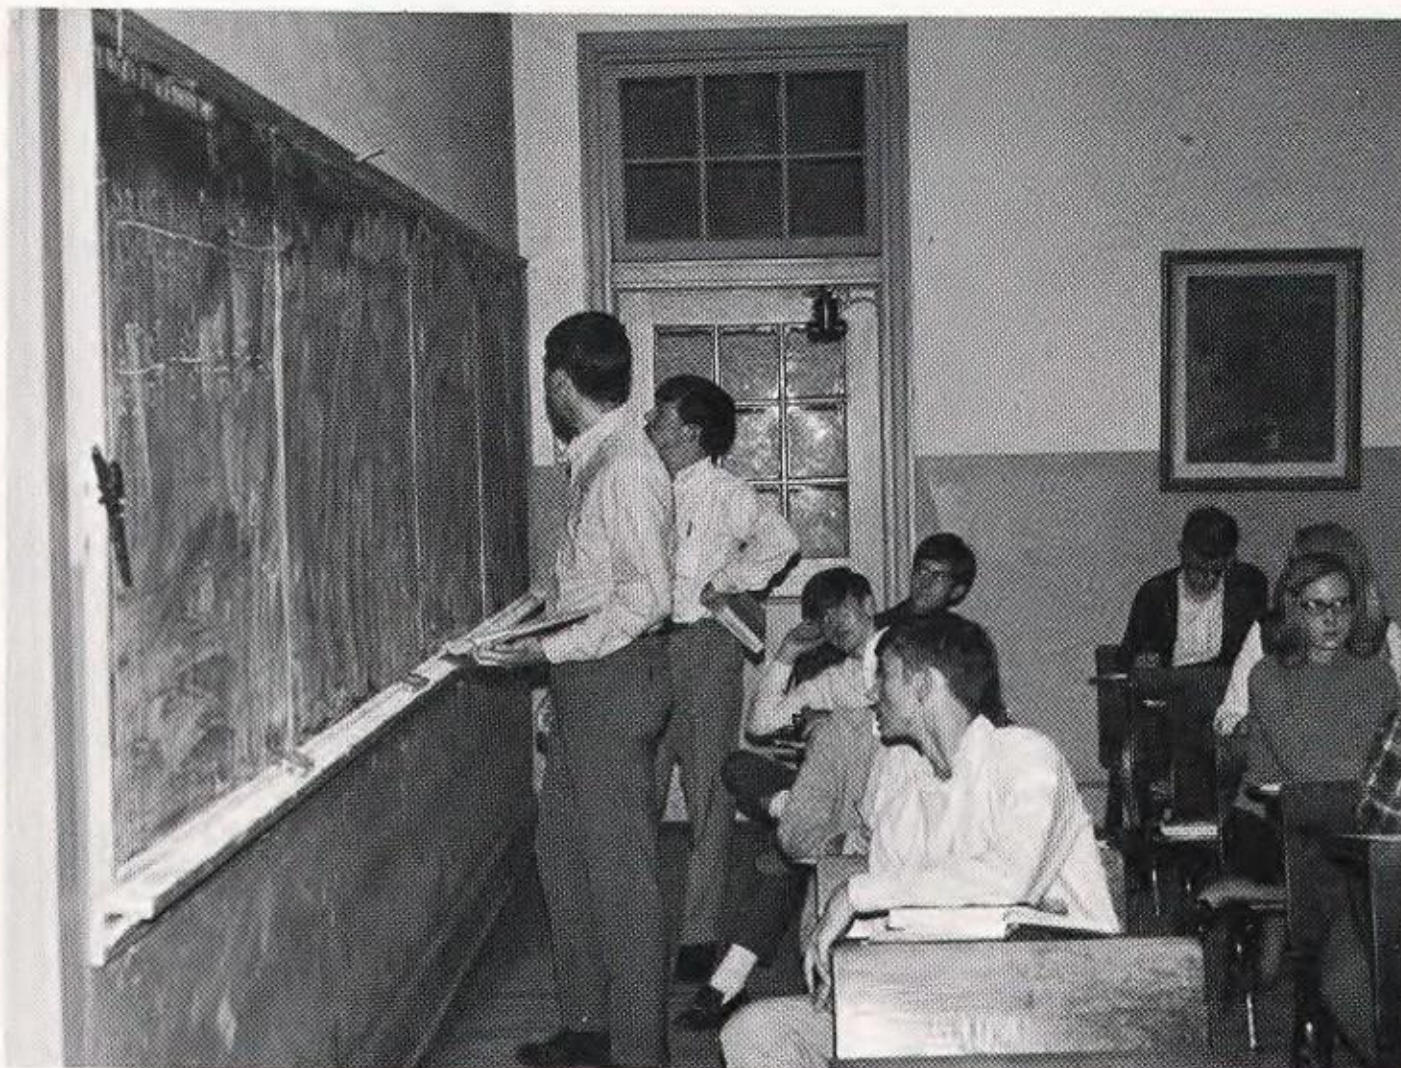

MRS. VIRGINIA CURLEE

The aim of the Math Department is to offer a variety of courses including Algebra I and III, Geometry, Trigonometry, and Calculus which would be sufficient to provide a background for whatever mathematical interest a student may develop.

The Math Lab is available to all students who wish to obtain guidance or to broaden the base of their knowledge. "Modern Math" is taught to strengthen a student's foundation of knowledge in elementary algebra.

Science Department

The varied Science curriculum teaches students the basic principles of science operating in everyday life. Biology involves a study of all forms of life, both plant and animal. In chemistry, students are instructed in the making and using of chemicals. Physics students learn the principles of matter, energy, sound, and other forces of nature. General Science provides the foundation for further study in the more advanced fields mentioned. The knowledge gained through these studies enables the student to meet the demands of this advanced scientific age.

Language Department

The Language Department offers students the means of acquiring the ability to speak, read, and understand French, Spanish, and Latin. Classes are taught the fundamental skills of speaking and listening through the use of the language laboratory, while reading and understanding are derived from the classroom experiences.

Business Education

The Business Education Department opens many doors of opportunity to Ensley High School students by equipping them to handle well-paying positions as secretaries, accountants, and personnel officers. A one-year course in personal typewriting is offered to students who want to learn the basic fundamentals of typewriting for their own use at home or in college.

MRS. VIRGINIA CARLISLE

MR. JAMES SEAGLE

Music Department

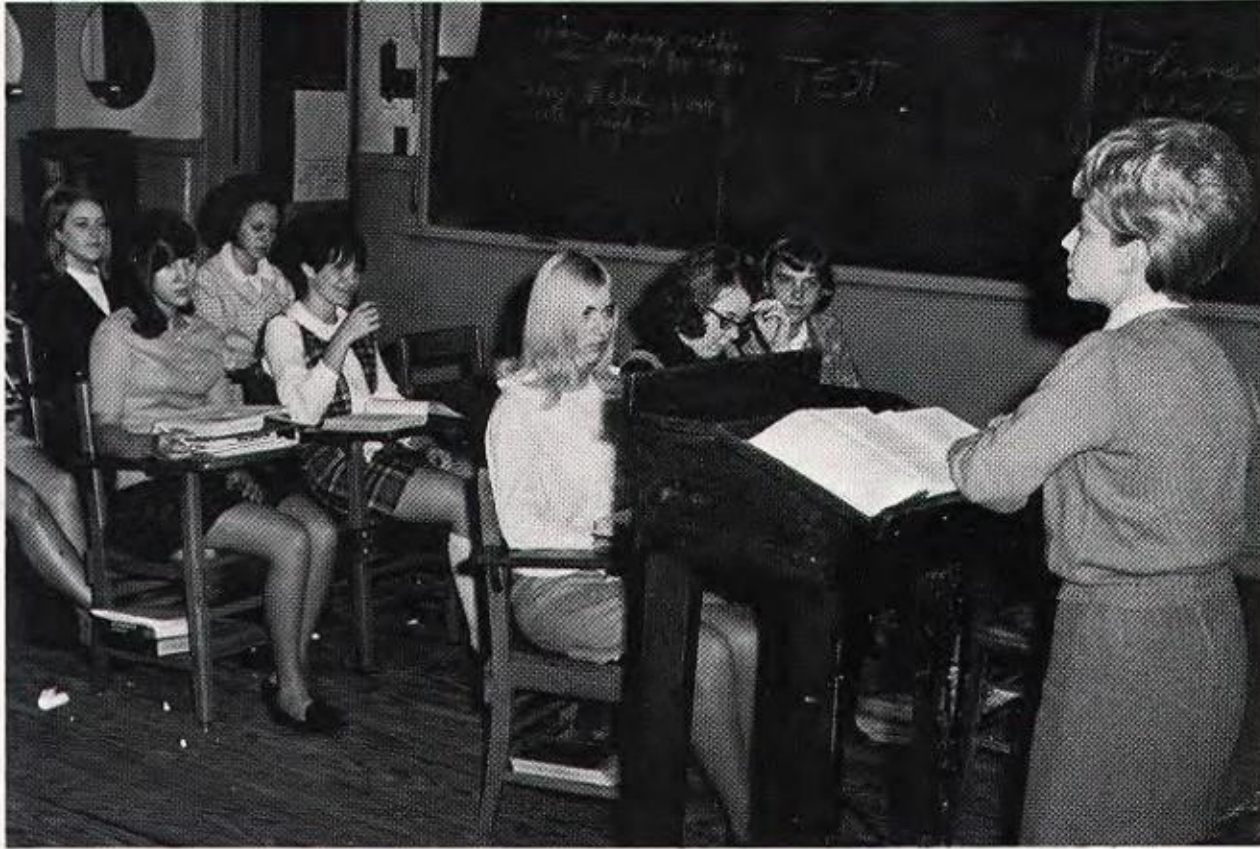

The Band and the Vocal classes combine to form the Music Department. Making up the choral division are the Boys' Chorus, The Girls' Glee Club, the Choir, and the Ensemble. The Band marches at football games, and performs at pep rallies. Both sections of this department present concerts for the entire student body.

Speech Department

To meet its primary objective of teaching the basic concepts of communication, the Speech Department offers varied courses in dramatics, speech therapy, oratory, and discussion. Each year the Speech Department gives students the opportunity to develop talents in an effective manner and stir the imagination of the entire student body through the spring and fall plays and the various oratorical contests presented.

MISS CYNTHIA DEASON

ART DEPARTMENT

To expand and develop creativity, the Art Department offers courses in drawing, painting, sketching, and the graphic arts through which students are assisted in developing an awareness of light, form, and color in their original work. The Art Department encourages students to enter their work in district and national competition and assists in making scenery used in the school plays.

MISS EMILY JOHNSON

Industrial Arts

The Industrial Arts Department offers both woodwork and machine shop for those students wishing to take these courses to aid them in their work or supplement their curriculum. In woodwork students learn the basic skills of carpentry, while machine shop offers them experience in working with metals and various industrial machinery.

RICHARD GRIMES

MRS. KAY MORGAN

Home Economics

The department of Home Economics offers a varied curriculum to its students. The courses in this program include Clothing, Foods, and, for senior girls, Everyday Living. These courses are designed to help the student improve her personal and home life in preparation for the future.

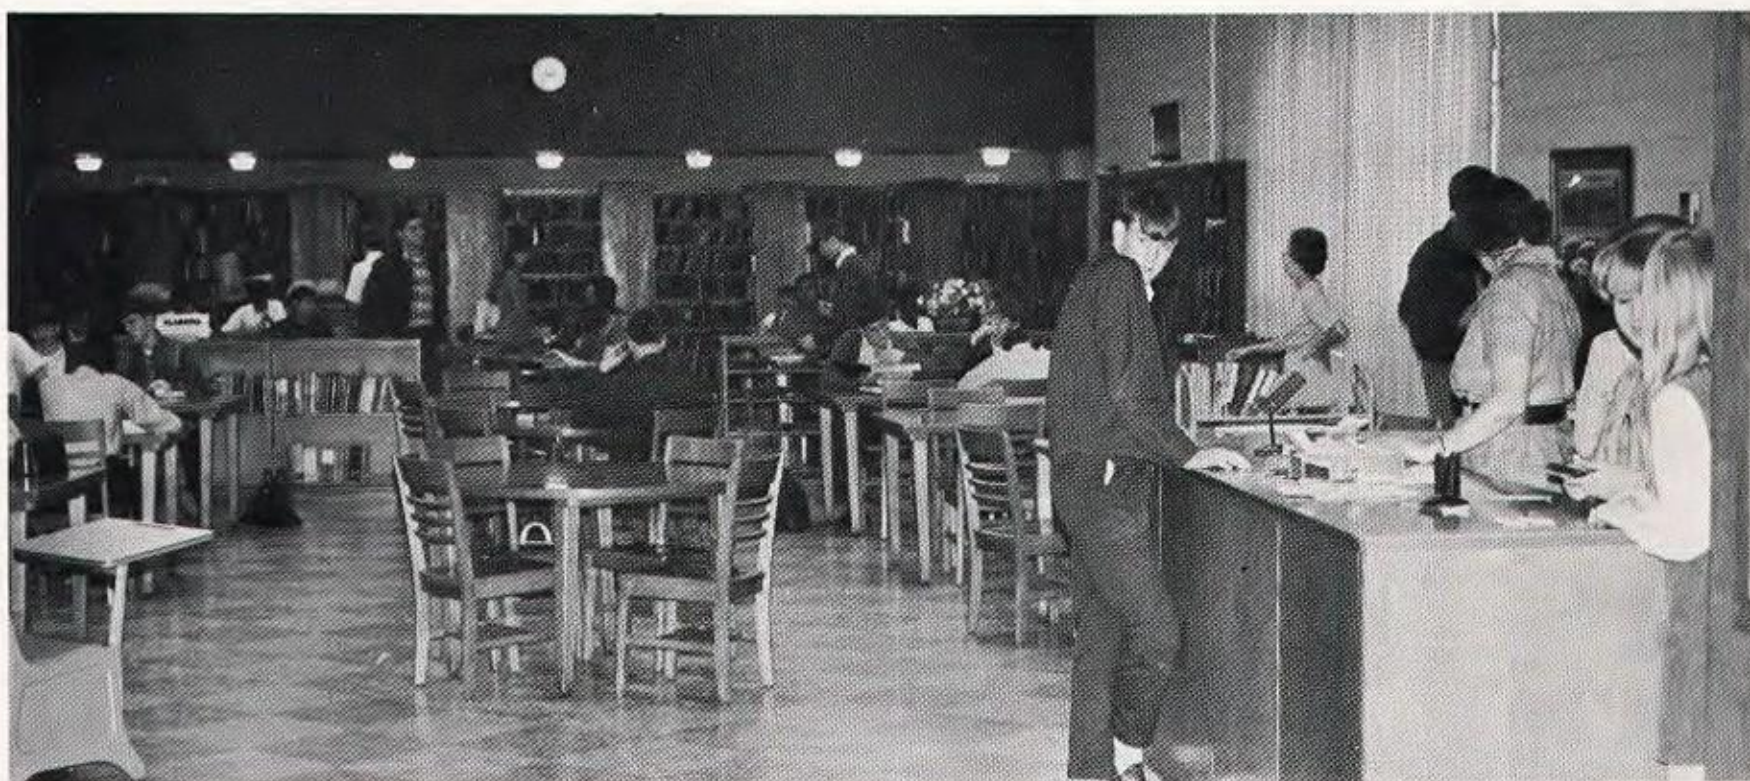

MISS FRANCES SEAY

MISS NAN MILES

LIBRARY

Ensley's library provides a vast storehouse of information for all students who wish to take advantage of it. The library provides fiction and non-fiction books for pleasure reading. Also in the library are research books, periodicals, both old and up-to-date, and pamphlets.

R.O.T.C.

SGT. SCHULTZ

The R.O.T.C. program has become an increasingly important part in helping young men to realize their future military obligations and giving them a true respect for authority, citizenship, and discipline. The "Rifle" and "Drill" teams compete with others from different districts throughout the state.

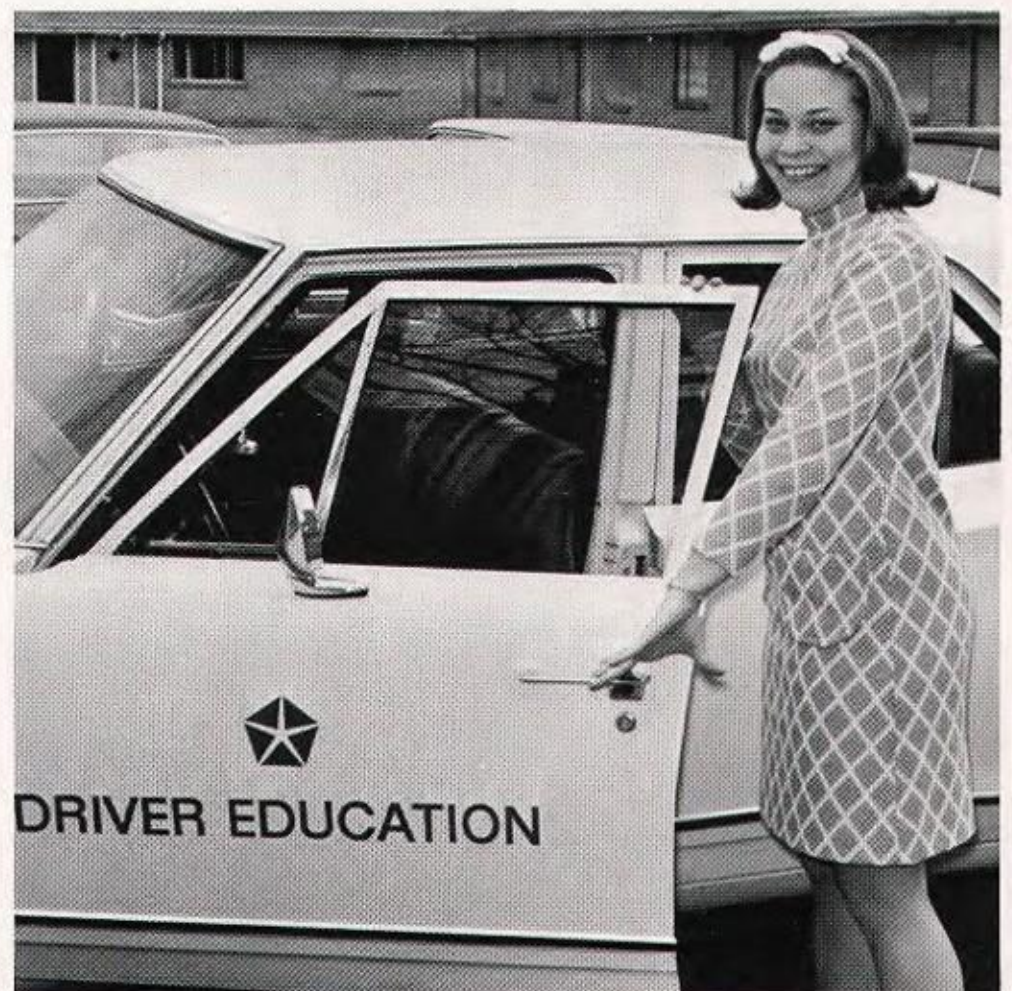

WARRANT OFFICER WHITTAKER

MISS CATHERINE HAGER

DRIVER'S EDUCATION

The aim of Driver Education is to teach students traffic regulations and safe driving practices. The course offers both classroom instruction and actual driving experience.

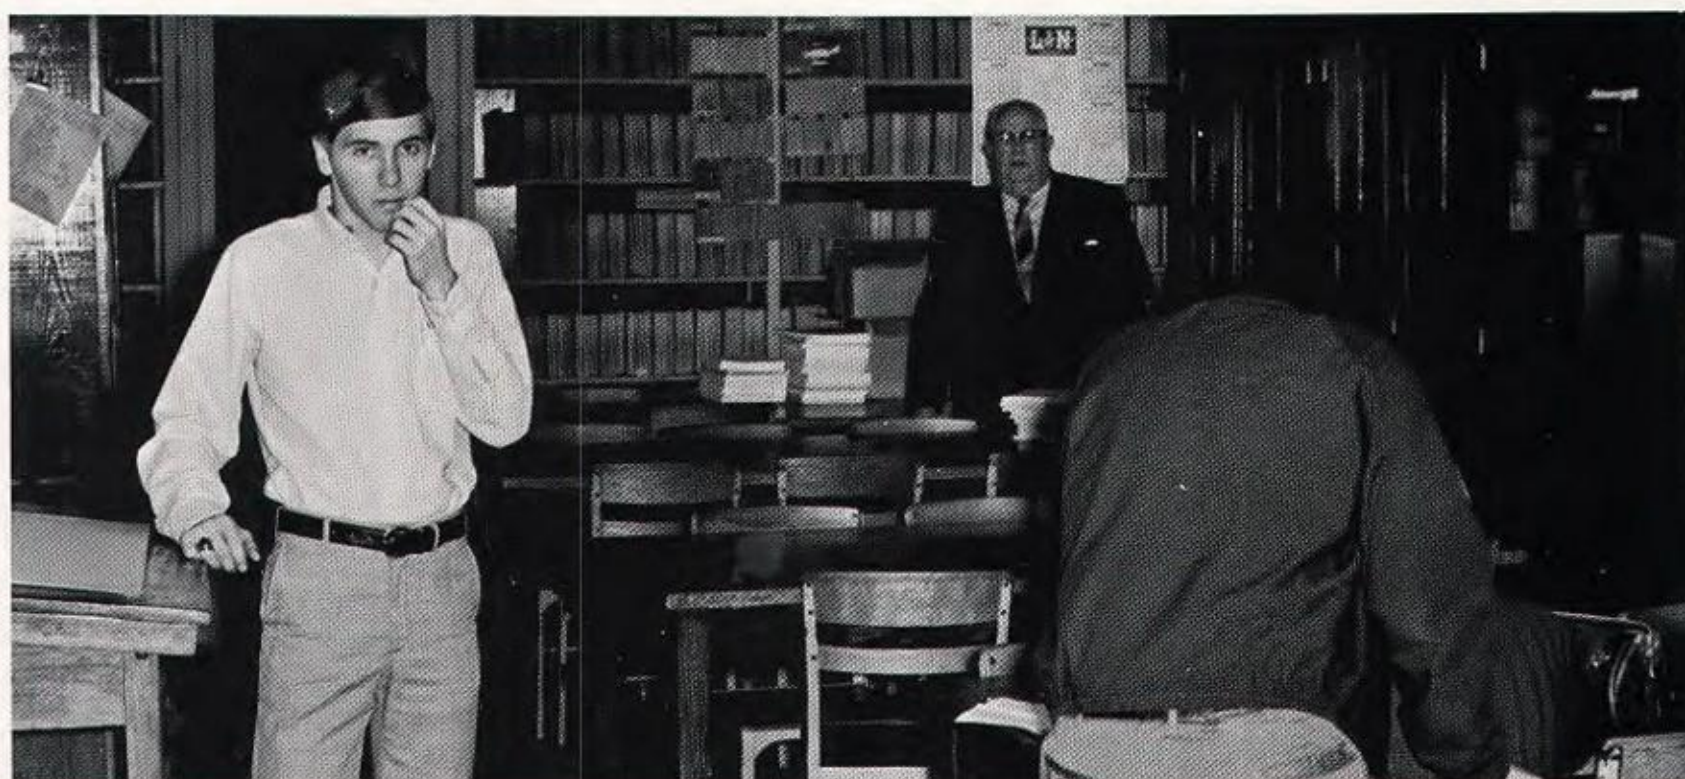

MR. ED COKER

D.E.

D.E. or Distributive Education is designed to educate and train junior executives in the fields of marketing and distribution. The course serves in an occupational area in the intermediary capacity between the high school program and the four-year college curriculum.

D.O.

Diversified Occupations, or D.O., is a cooperative training program between business, industry and the school. Students receive on-the-job experience in a selected field under the supervision of the Trade and Industrial Education Department of Birmingham Public Schools and the State Department of Education.

Physical Education

Since all students are required to take four years of physical education, the scope of this program has increased to the point that it now does much to aid in the physical development of each individual. The varied activities of the athletic program promote physical and mental fitness.

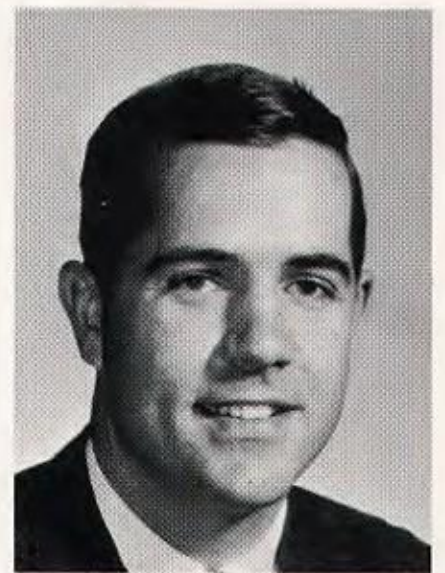

Included in the boys' program are weight-lifting, gymnastics, soccer, volleyball, and other inter-scholastic sports. Girls are instructed in team and individual sports, rhythms, and tumbling, to aid them in attaining a high degree of physical fitness.

EHS HIGHESTEPERS

The Ensley Highsteppers is an organization of girls that work throughout the year to promote school spirit, by performing with the Band at football games and pep rallies and at basketball game half-times.

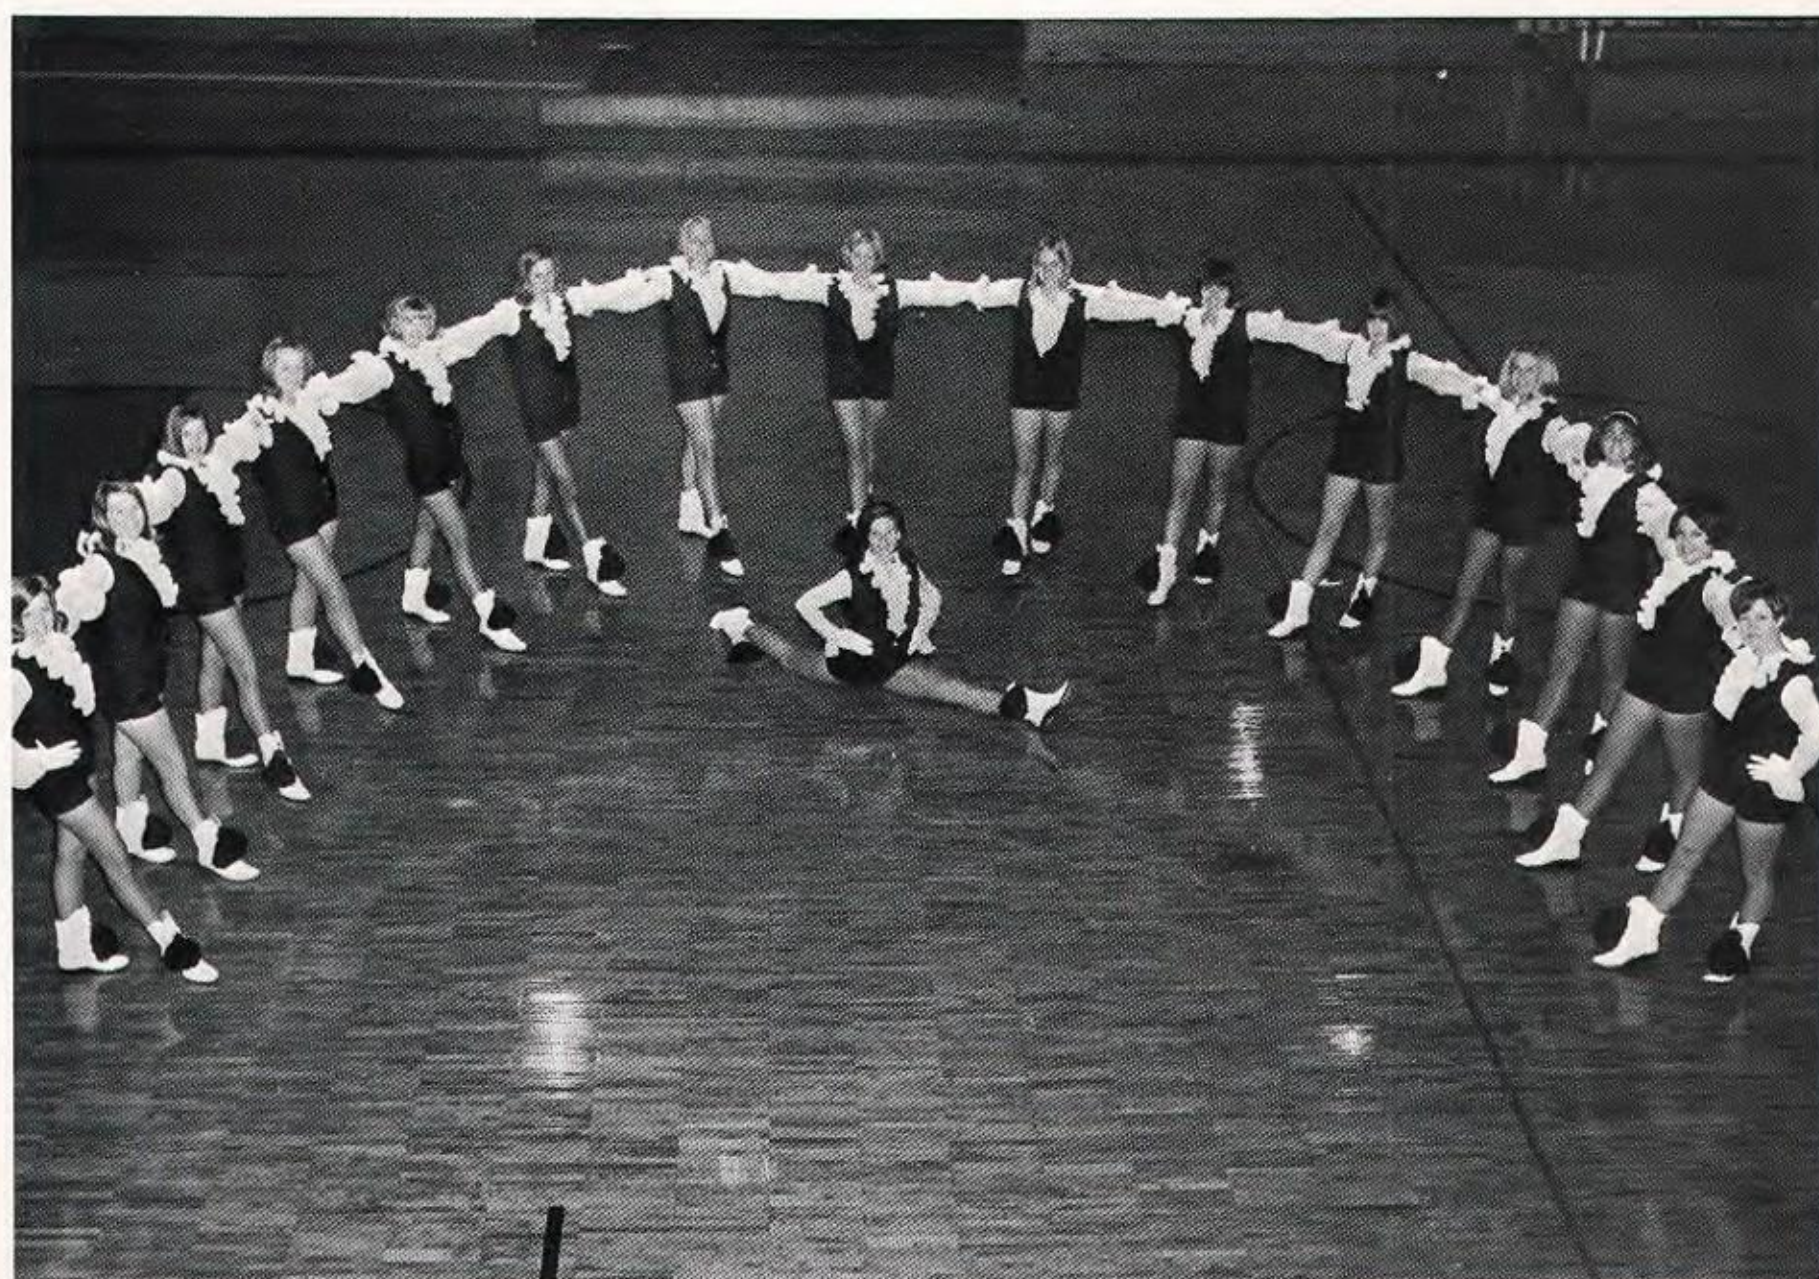

The long hard hours of work the girls put in, was worth it when the routines were so well received by the spectators. The routines were

from a Mexican Flair to a Hill Billy Queen. We appreciate you and we salute all the High steppers, especially the Seniors.

This year the Highsteppers were asked to perform at several functions outside the school. The trip the girls made to the dedication ceremony at the Boys Ranch in Selma was the High-light of this year.

BLACK AND GOLD

Our team divided
and played each
other —

Kathy Findlay passes
her crown
to Deborah Rorie,
the 1968
Miss Touchdown

The joy of hearing your
name announced —

these expressions of excitement
will always be in our
memory —

With games, pep rallies, making signs, and various drives for charity, they well earn the letter "E" that they wear on their chest. With hardly two weeks break, they change sports and add another game each week to their schedule to cheer for Ensley's basketball team. Of course everyone knows March brings the announcement of 10 new girls as Ensley's cheerleaders. This brings the realization that graduation is growing closer and to Mrs. Smith and the cheerleaders this means pulling up roots and sowing new seeds.

EHS CHEERLEADERS

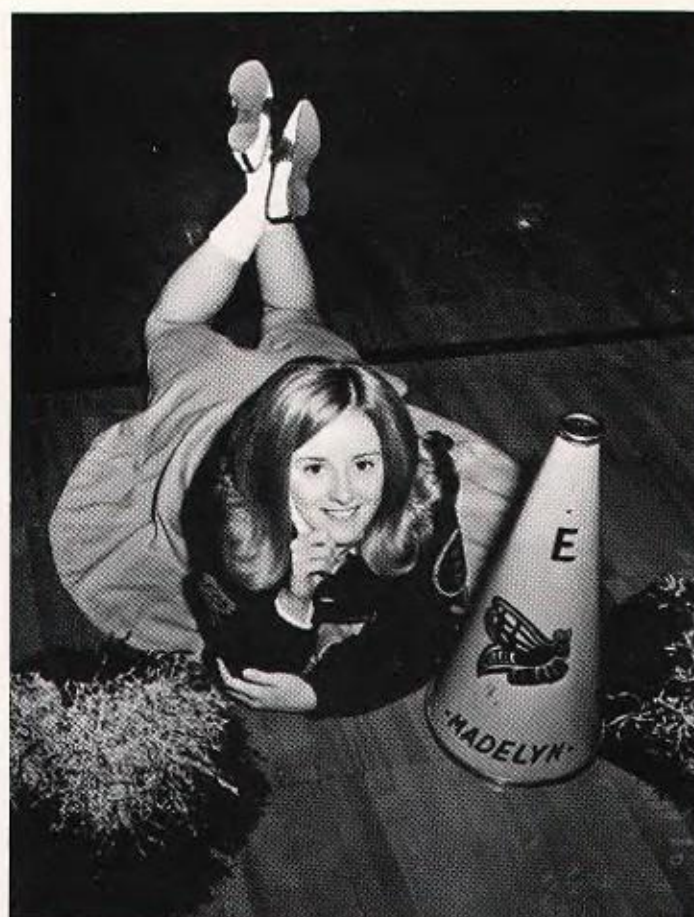

They seldom let it show through their constant smiles, but they will greatly miss Mrs. Smith and all the treasured memories here at E. H. S. When you see each Senior girl walk slowly up to the microphone, gulp, and proudly reveal her successor, you can see by the gleam in her tear-filled eyes that she has been a part of something so great that words could never express to anyone the wonderful experiences that she has met while cheering for the #1 school - "On to Victory Ensley High."

Thespians . . .

The speech department of Ensley High School maintains an outstanding program of speech activities consisting of a speech class, a dramatics class, and extracurricular activities such as school productions, speech contests, and drama festivals.

Last spring the speech, vocal, and band departments presented four performances of Oklahoma after weeks of hard work.

The fall play was The Madwoman of Chaillot, a comedy by Jean Giraudoux. The story of the play concerned a group of businessmen who suspect that oil lies under the soil of Paris, and they will not hesitate to destroy the city to find it.

They discover a formidable opponent in Aurelia, the madwoman of Chaillot, who brings the greedy people of the world to her cellar and sends them down the secret stairway from which there is no return. Beauty and love now return to earth. Beneath its humor and satire is the ironic comment that the one person sound enough to frustrate all the madness in the world is a poor, old madwoman.

For the spring production the speech, vocal, and band departments will produce Camelot, with costumes from New York.

ENSLEY JONES 14 VALLEY 7

Ensley opened the '68 season with a dazzling display of defensive play by holding Jones Valley to only 14 yards rushing and 82 yards passing. For the offense, Mike Kimbrell was the leading rusher with 143 of the total 286 yards rushing. Dennis Whitehead completed 3 out of six passes for 31 yards.

Ensley was a little slow getting started by fumbling the first two times they had the ball. Early in the second quarter, Dennis Whitehead took the ball in to score from the one completing a 61 yard drive. Jerry Hayes kicked the PAT and Ensley led 7-0. Jones Valley completed a 64 yard drive and the half time score was 7-7.

In the second half Ensley controlled the ball most of the time and drove to the one yard line early in the fourth quarter. Mike Kimbrell ran the ball in for the score and Jerry Hayes added the PAT and made it 14-7. Ensley threatened 2 more times but was unable to score.

ENSLEY DOWNS HUFFMAN

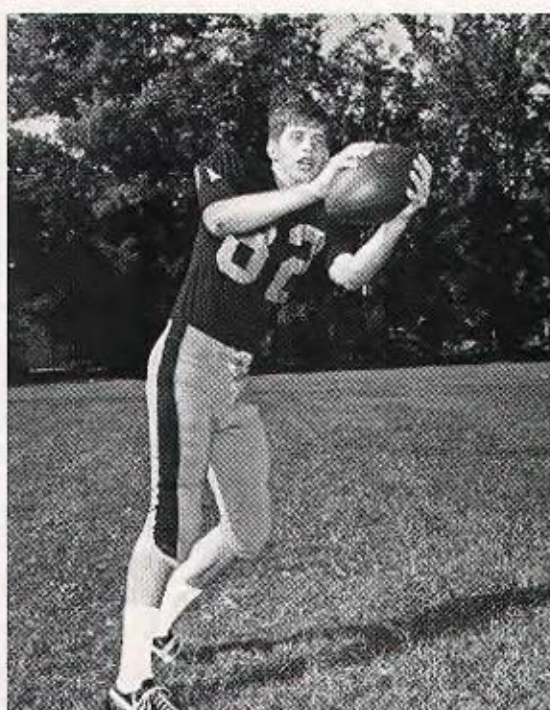

The Ensley Yellow Jackets had a field night against a young Huffman team with Mike Kimbrell stealing the show. Mike took the opening kickoff and ran 90 yards up the middle for a touchdown. Less than 2 minutes later he ran a punt back all the way for 78 yards.

With 2 minutes left in the first quarter Andy Cross completed an 80 yard drive with a 23 yard run. Jerry Hayes made his 3rd PAT of the game good and the Jackets led 21-0. Huffman then came back and passed their way into the end zone, for six points. The PAT attempt was blocked. Midway through the second quarter, Ensley's defense scored two points when they caused a safety on a bad punt snap. The score at halftime was 23-6.

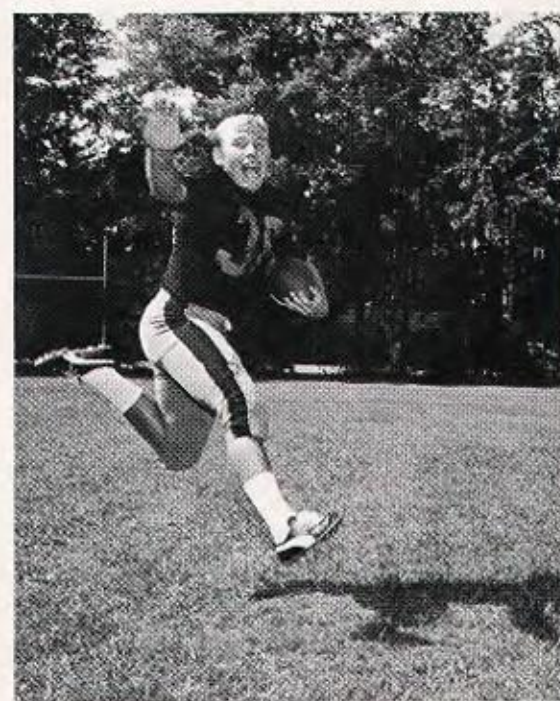

Huffman started off the second half by passing again and made good a 66 yard drive. The PAT attempt was wide. Before the 3rd quarter ended, Ensley scored again on a 21 yard touchdown pass from Dennis Whitehead to end Billy Petelos. In the 4th Quarter, Huffman scored once again and Ensley scored twice on a 4 yard run by Benson and a 3 yard run by Bobby Cross. Jerry Hayes kicked all the PAT's.

A really fired up Ensley team came on to win its 3rd game for the season by shutting out Hueytown 20-0. Andy Cross was the leading rusher with 141 yards and Dennis Whitehead accounted for all 3 TD's by throwing two touchdown passes to Henry George and Tim Watts and running for 15 yards for the last score.

The Jackets scored the first time they got the ball by going 62 yards in 5 plays. The TD came on a 48 yard pass from Whitehead to wingback Henry George. Jerry Hayes kicked the PAT. With 4:50 left in the 1st half, Whitehead turned into a 60 yard scoring play. Hayes added the PAT and Ensley led at half-time 14-0.

Ensley took the opening kickoff of the 2nd half and went 72 yards in 8 plays with Whitehead running it in from the 15. The snap from center was fumbled and the PAT failed.

Ensley brought their record to 4-0 as Dennis Whitehead led the Jackets by West End by completing 9 out of 14 passes for 153 yards and 3 touchdowns.

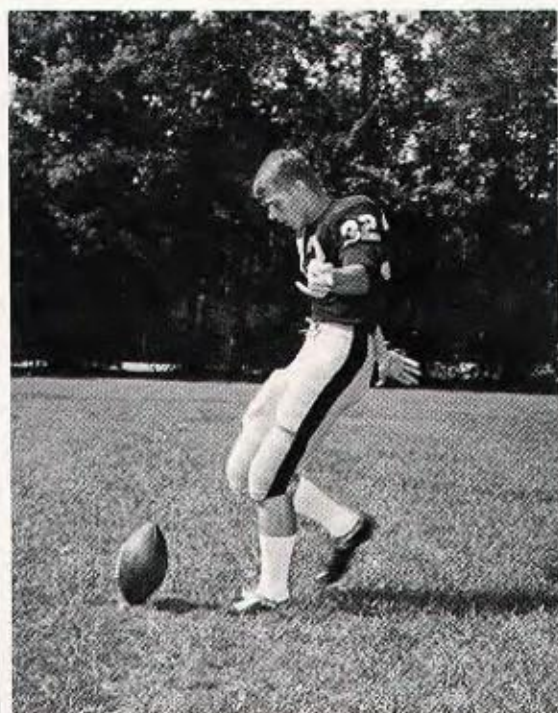

The Jackets scored the first time they had the ball by driving 60 yards with Andy Cross going over from the 1. Hayes' kick made it 7-0. After West End drove to the 3 yard line, Ensley took over on downs and drove 97 yards to score again. Cross took the ball in for the score again. This time from the 2. Hayes converted. Late in the 2nd quarter, West End recovered a fumble on the 20 and took it in for a score as the half ended. Ensley led 14-7.

Ensley opened the second half with a 59 yard drive and scored on a 20 yard, Whitehead to Kimbrell pass. Hayes converted again. Early in the 4th quarter James Poe intercepted a pass on the 29 and Whitehead threw to Tim Watts on the 1st play to score. Hayes' kick failed and the Jackets led 27-7. West End came back and scored to make it 27-14, but as soon as Ensley got the ball they drove 52 yards and scored on a 7 yard pass from Whitehead to Petelos. Hayes' PAT attempt failed. West End closed out the last quarter with another TD, but the clock ran out with Ensley on top, 33-21.

Mike Kimbrell and Andy Cross led Ensley to their fifth straight victory by stinging Woodlawn 33-19.

Both teams fought nip and tuck in the first half. In the first quarter Mitchell Poer intercepted on the Woodlawn 22. On the next play, an Ensley TD was called back on an offsides penalty, but the Jackets drove on in for the score with Cross getting the 6 points. Hayes failed to convert. A few plays later Woodlawn scored on a 64 yard pass play. The PAT was good and the Jackets were behind for the first time of the year, 7-6. In the second quarter, though, Whitehead topped off a 56 yard drive with a 16 yard TD pass to Kimbrell. The PAT was good and Ensley led at halftime 13-7.

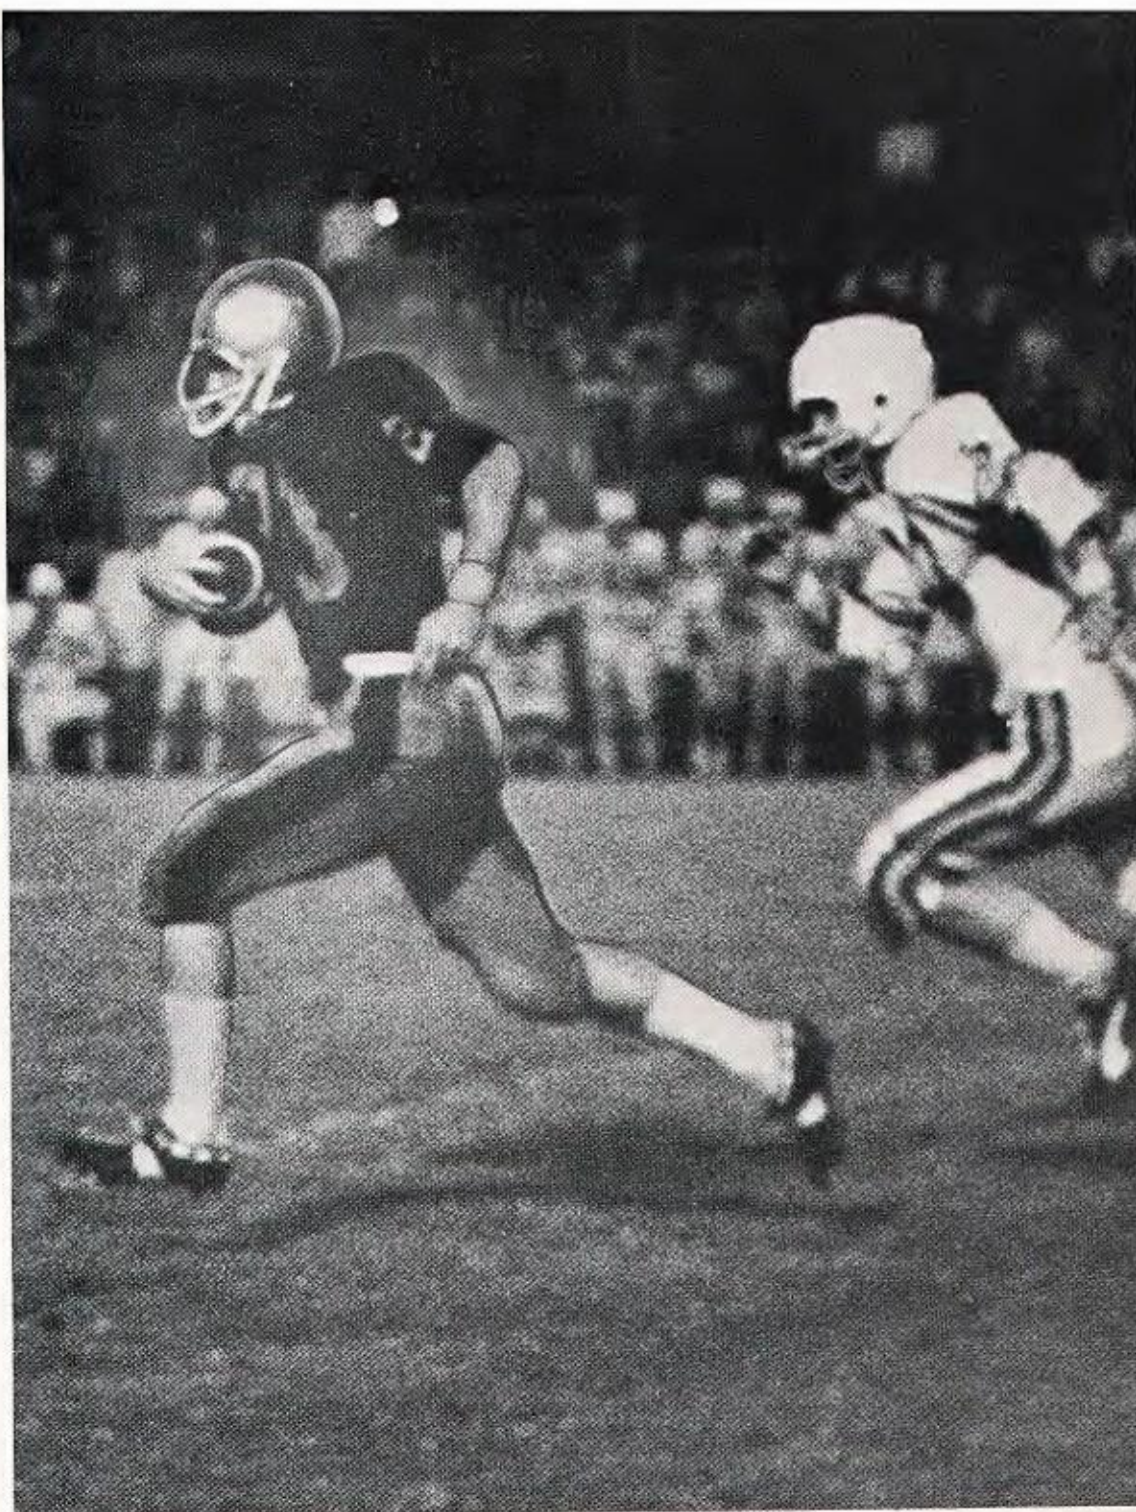

In the third quarter Woodlawn was threatening until Bruce Evans recovered a fumble at the 6. Ensley could not get out of the hole and had to punt, but Woodlawn fumbled the punt and Ensley recovered again. This time Ensley took the ball in with Cross scoring from the 8. The PAT was good. Late in the third quarter Woodlawn punted and Kimbrell broke loose and took it 80 yds for a score. Woodlawn went to the air and scored two more TD and Ensley scored their last TD on a pass from Whitehead to Watts. The final score: 33-19.

ENSLEY 42 PHILLIPS 12

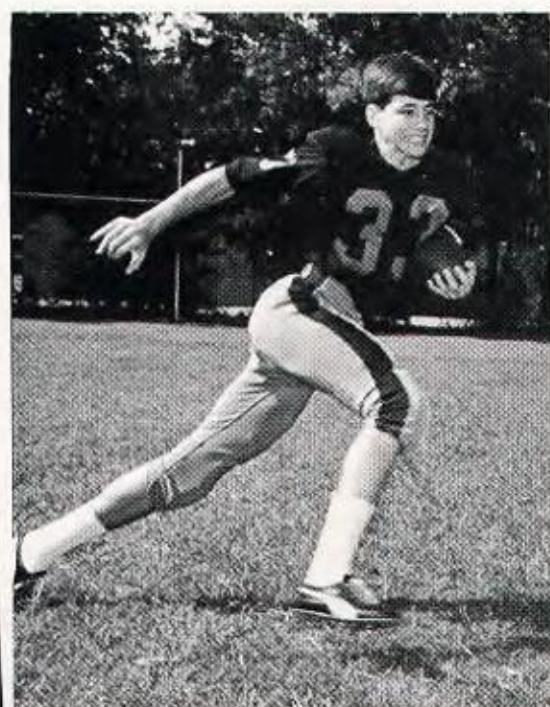

Ensley was slow getting started with Andy Cross scoring the only TD of the first half for Ensley and Jeff Tucker's PAT put Ensley ahead 7-6 at the end of the half.

The second half started off with a bang. On the first play from scrimmage Andy Cross went 77 yards to the one. Kimbrell took it over on the next play and Jeff Tucker kicked the PAT good again. The next play from scrimmage for Ensley was an 82 yard touchdown run by Mike Kimbrell and Tucker's kick made it 21-16. Late in the 3rd quarter Bruce Evans got the ball and promptly took the ball in from 28 yards out and another Jeff Tucker conversion made it 28-6. Early in the 4th quarter Ensley got close and Ricky Benson connected with Bruce Evans for a 5 yard touchdown pass. Tucker's kick was true and Ensley led 35-6. After Phillips scored their second and last touchdown, Kenny Burks added salt to the wound by taking a screen pass from Benson and rambling 33 yards to score. This time Howard Von Hagel got the call and split the uprights to make it 42-12.

Better than 17,000 people came to Legion Field to see the game of the year between cross-town rivals, Ensley and Banks, and had to settle for a 7-7 tie.

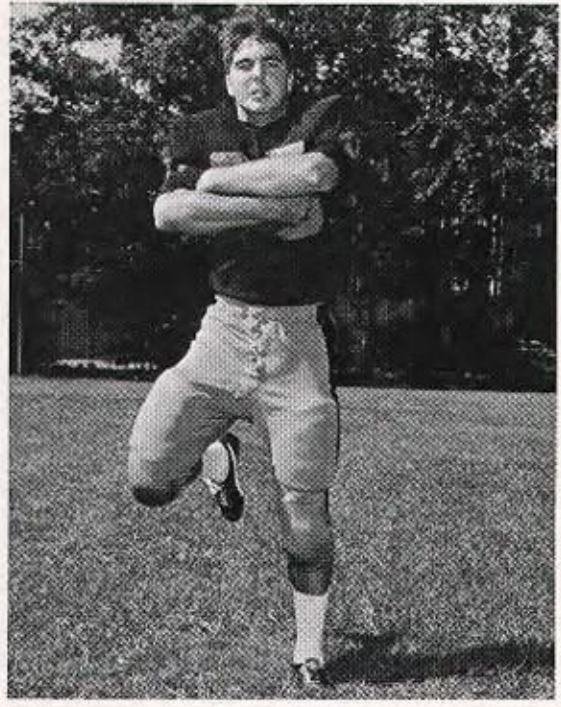

Banks got a break late in the first quarter by recovering a fumble on the Ensley nine yardline and quickly turned it into a touchdown. Neither team could score before the end of the half and Banks led 7-0. The third quarter remained a stalemate between the two teams, but early in the fourth quarter Mitchell Poer, a member of a pass defense which had riddled Bank's passing game all night, intercepted a pass on his own 30 yardline and outran the Banks team 70 yards for a touchdown. Jeff Tucker came through with the pressure on and split the uprights to tie the game at 7 and 7. Ensley threatened once more before the clock ran out, but lost the ball on a fumble and had to settle for a tie.

ENSLEY DEFEATS BESSEMER

Both Ensley and Bessemer fought a fine battle all night, but the Yellow Jackets sting was worse than the Tigers roar.

The first quarter went by scoreless, but early in the second quarter, Mike Kimbrell went 65 yards behind a wall of blockers to score the only touchdown of the game. Jeff Tucker kicked the PAT. In the second half both teams had several good drives, but all of them died when they neared the goal. Bessemer's biggest threat was on a 56 yard touchdown pass in the fourth quarter, but it was called back on a penalty.

The defense was the key factor in Ensley win with Kelly Bakane, James Poe, Dan Johnson, Mike Kallaher, Mitchell Poer, and Bruce Evans being top defenders.

ENSLEY . . . 13 RAMSAY . . . 28

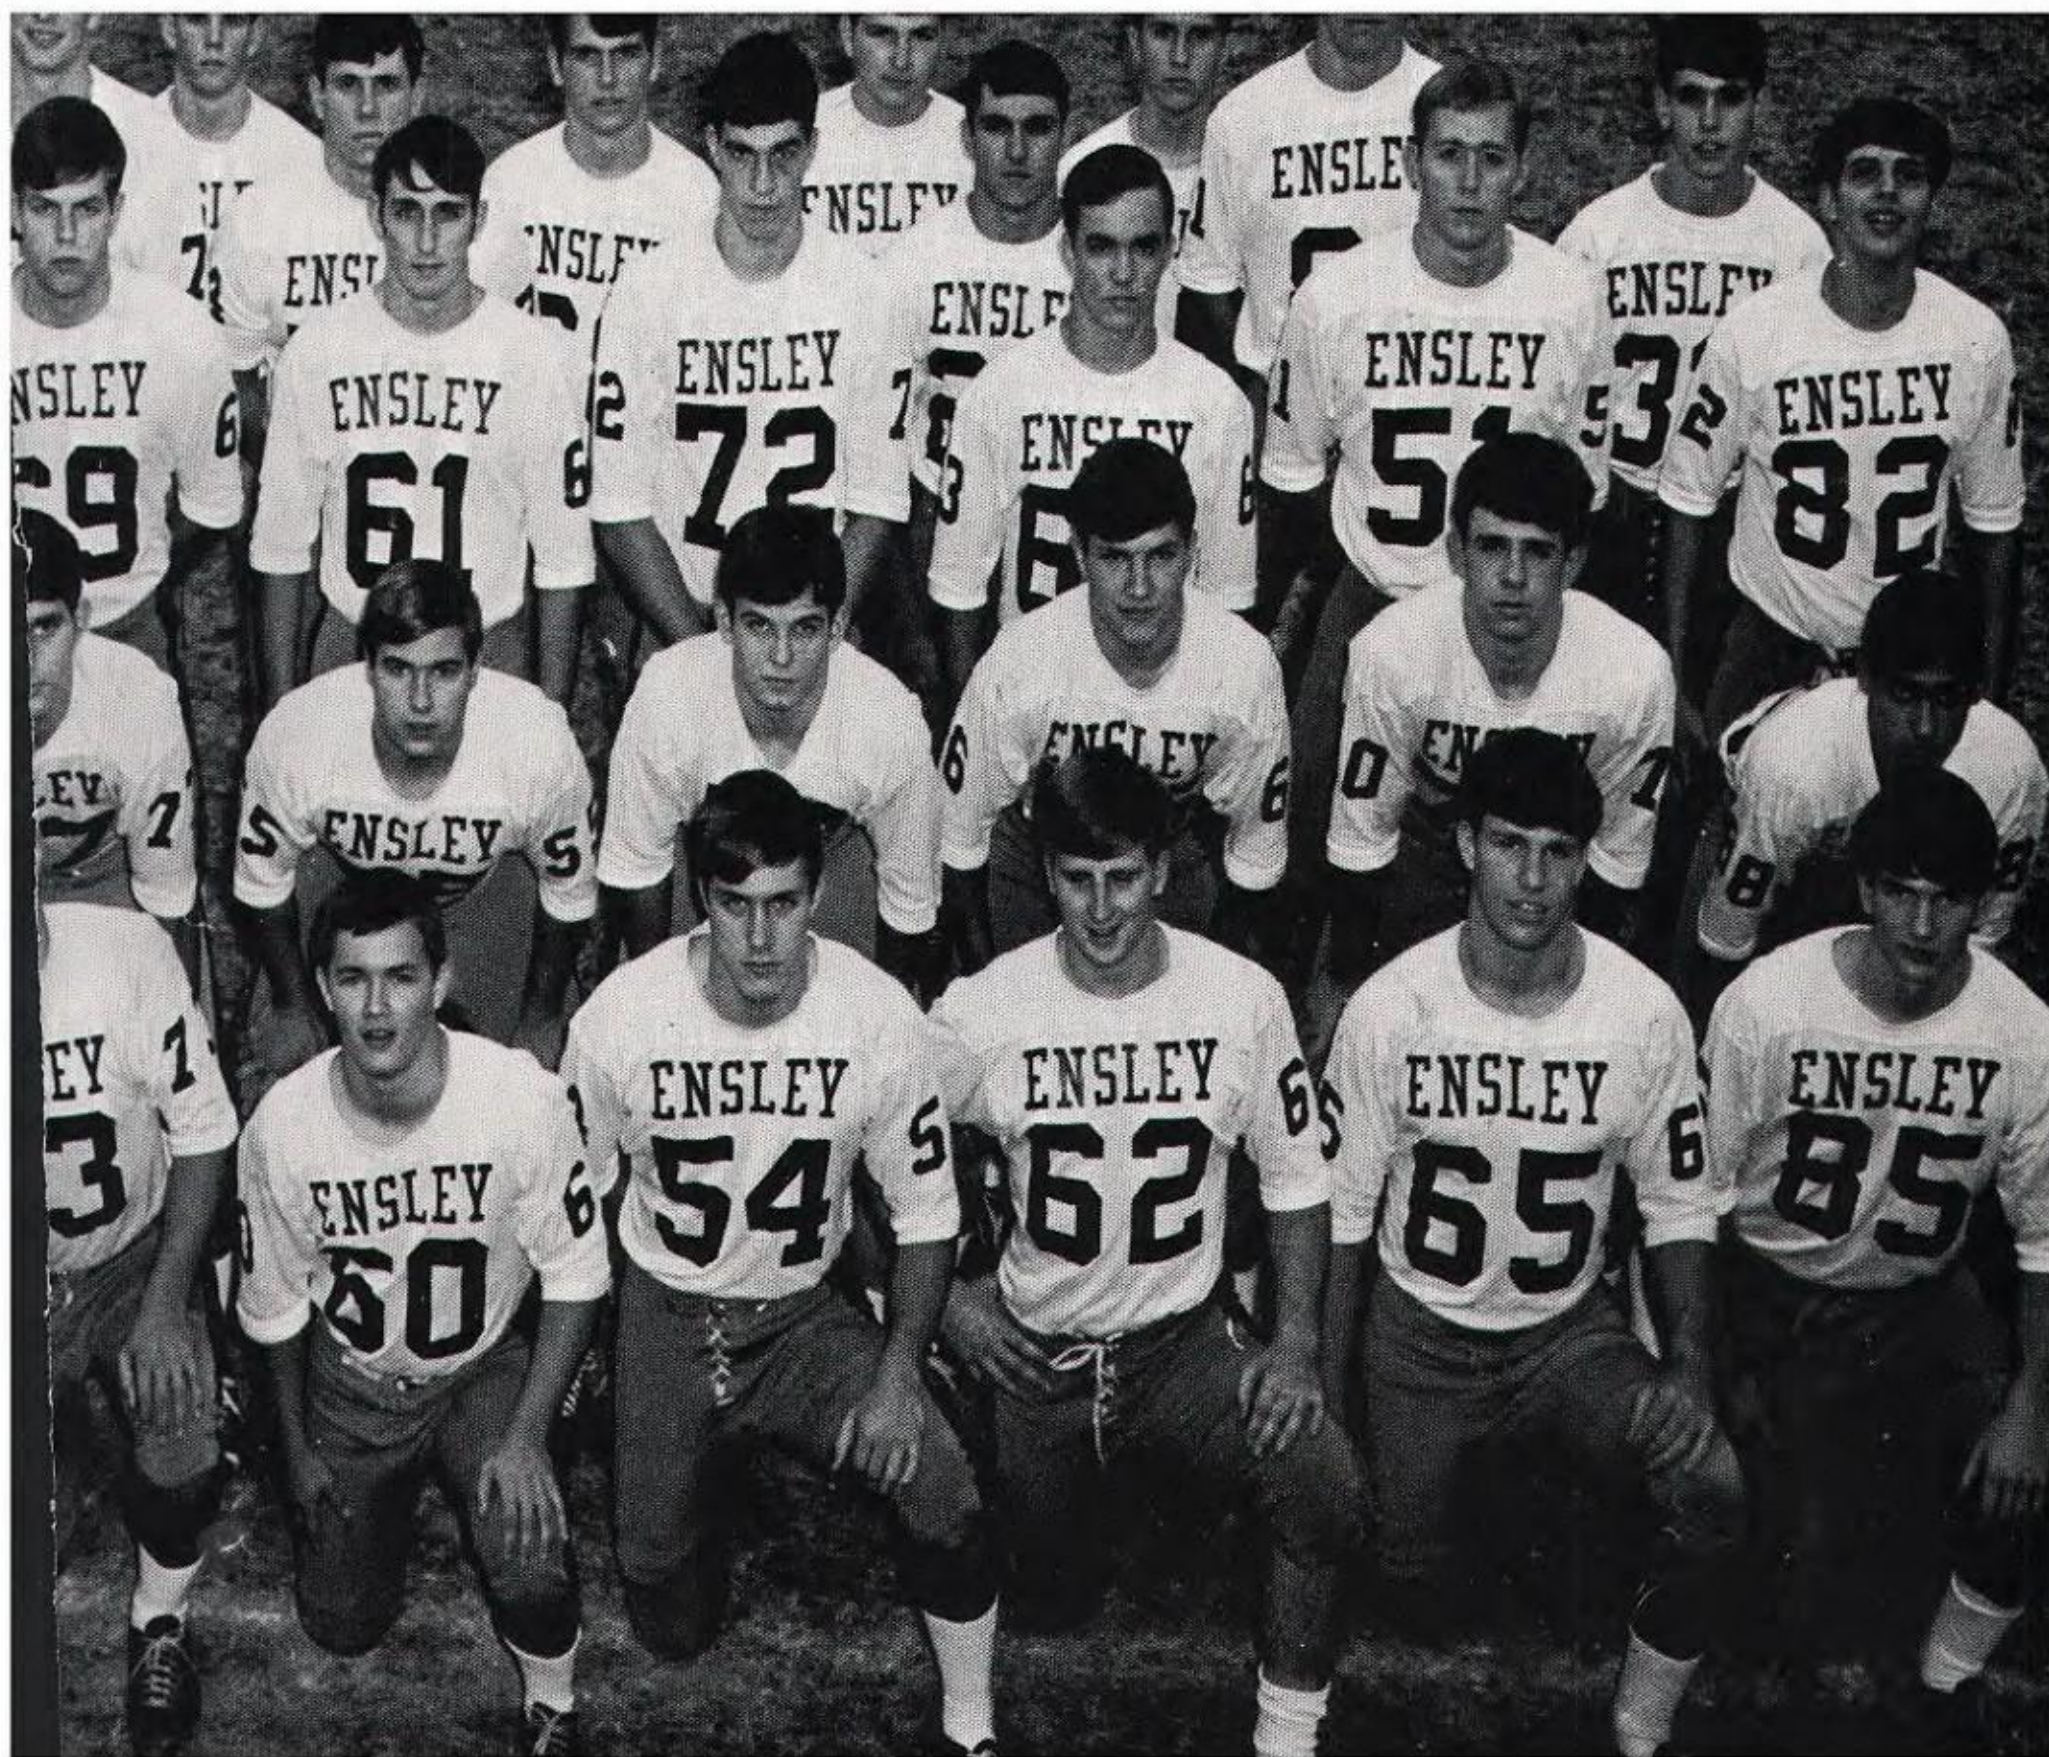

The Ensley Yellow Jacket season came to a close sooner than expected. The Jackets chances of a berth in the 4A state playoffs were killed when they met a very tough Ramsay defense. The loss also knocked the Yellow Jackets out of the Clinic Game.

Ramsay's defense, the toughest all year for the Jackets, riddled Ensley's offense all night. Both Andy Cross and Mike Kimbrell's running was held to an under average amount. Whitehead's passing was the main source of yardage for the night with two of his passes, each to end Tim Watts, going for Ensley's only two touchdowns.

Although the Jackets failed to make the state playoffs of the Clinic Game, they still finished with a 7-1-1 record, a record any team could be proud of and the best since Coach Storie came to Ensley, four years ago.

The 1968 Ensley High School Baseball Team started the season with a trip to West Palm Beach, Florida. While there the team practiced and also saw the Atlanta Braves play some exhibition games. The team defeated three Florida teams during the week in Florida.

The Jackets came home and started the season against Phillips. Skeet Dickerson hit a 350 foot home run in the bottom of the seventh inning with two men on to give us our first league play with a third straight city championship and a 10-2 record. Ensley then won the Jefferson County Championship with a 4-0 tournament record for the third year in a row.

Seniors Basil George and Lee Berger both participants in last year's state meet will be expected to head the team again this year. Basil finished fourth in the mile run and Lee was sixth in the triple jump.

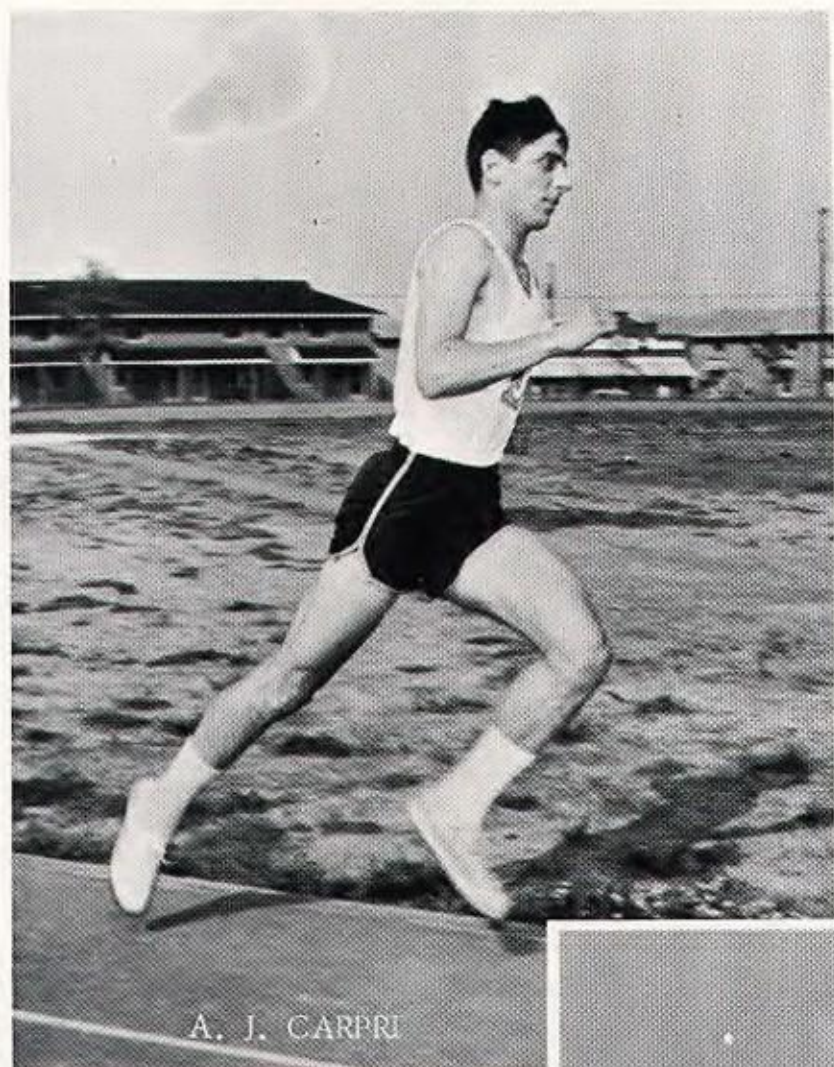

Lynn Hammock, eighth in State Cross Country, will also be strong in the distance runs. Chuck Johnson, an outstanding "B" team runner last year will run in the 880 and 440.

Along with Berger, David Hand and Jim Downing will make up a strong field of long and triple jumpers and Rick Romano will be back for the shot and discus.

Over all, the outlook is bright especially in the field events and the longer runs.
